

Johnny Pernerfors

Islandssamlarna reported the passing of Johnny Pernerfors on 5 April 2019. Johnny was a regular person at Nordia and Swedish stamp shows and always friendly and smiling. It was Johnny along with Leif Nilsson who planned the Islandssamlarna tour package to Nordia from 1991 to 2018 in Iceland at which 30 members participated. The philatelic community has lost a true gentleman whose love for Iceland was unending. Johnny was a member of Islandssamlarna sedan 1982.
